12. If no, please explain:

n/a

13. Request for Kingdom Seneschal Action:

n/a

14. General Summary:

By his request, while our Seneschal is dealing with a palliative care family matter, please accept this report in his stead, as his Deputy/Drop Dead Seneschal. Planning continues for 4th annual camping event. Weekly armouring has continued thru winter, with heavy, rapier, archery and throwing practices restarting. As ours is a large area, these take place in 3 locations: Greenwood (on base), Annapolis Royal, and Berwick as well as potlucks at 4th site in Berwick. Weekly general meetings use Greenwood as default, with some held at other locations at other member houses. Lots of crafting including populous banners for barony and principality, and other individual projects. 2 new families joined and are regular since last report, with one paying for SCA membership. Starting to hear back from local university people.
