Use this form to report on any significant activities for your office - website overhauls, etc. - for the quarter. Regular site updates and officer email turnovers need not be mentioned, that's just part of the job ;) Issues should not be reported through this form, just let us know as they happen via email or chat.

Participation on Slack - <https://ek-wm.slack.com/> - is one way to be interactive with others in the office throughout the year.

If you have any questions, comments or concerns outside of the report itself, please let me know!
